## Letter from the CEO

The holidays are behind us and we are looking forward to an exciting 2016. We have hit the ground running, and even riding in some respects.

We have had many accomplishments in 2015 including:

- EMV Chipped Credit Cards
- Business loans
- Solar Panel loans
- Bicycle Loans
- Quicken download capability
- Enhanced On-Line Banking security
- Mobile Banking

Initiatives that were started in 2015 that will come to fruition in 2016 include:

- EMV Chipped Debit Cards
- Easier access to change your own Debit Card PIN number
- Additional E-Statement availability for On-line banking
- Remote Deposit Capture to improve the Mobile Banking experience
- Electronic document signing

There will also be many behind the scenes improvements in 2016 that will increase the efficiency of workflow as well as increase member data security.

For 2016 we put together the first ever TOPCU *24 Hours in the Old Pueblo* mountain bike race team. In support of our new Bicycle Loan program, three TOPCU employees, myself included, have formed a team for the 24 hour race in February. Wish us luck!

TOPCU continues to improve financially. 2015 closed out with 5% loan growth. The first year of positive loan growth since 2007. Membership growth has improved as well. The Youth Account program has helped improve membership growth and is introducing financial literacy to our young members.

I wish for a prosperous 2016 for all TOPCU members, employees and stakeholders.

  
**G. Vernon Babilon, CEO**
